• GRU 535U - Black, Double Polled. Another good Predestined son that ranks in the top 20% of the breed for WW, YW and Carcass Value. We bred a lot of cows to Predestined and they are a great set of bulls. 535U has a super disposition and is out of a very productive 3 year old cow.

• GRU 752U - Black, Double Polled. 752U is a very stout, powerful bull. Another bull that ranks in the top 20% of the breed for WW, YW and Carcass Value. Dam is an 11 year old cow that has made a big impact at Grund Beef Genetics and is currently one of our Donor cows. 752U will sire calves that flat out perform and the heifers should make excellent cows.
