Three Trees Next Step - For Reference Only
His influence sells - Lots 1-3.

We have watched this Origen A.I. sire over the last few years and like his genetics and EPD's. Excels in weaning weight and carcass EPD's while being an outcross sire with a great look.

• GRU 635W - We love this bull and his mama. Great cow family - dam is a maternal sister to GRU Good Stuff. Stout, thick, powerful are words that describe this bull. Note the low birth weight of 72#s and the growth EPD's that rank in the top 5% of the breed. Did I mention his Carcass Value is in the top 10% of the breed. Don't miss this bull!
