• 11U was raised by our good friends the Cooper family. Callahan showed a full sister to this bull and was Reserve Champion Heifer to his cousin Grace Hammer. 11U is a purebred Gelbvieh bull and is double bred for calving ease combining the Freedom and Extra genetics. Note the 66# birth weight! A fall bull that could handle a lot of cows this coming breeding season.

• 102W - Here is a full brother to Lot 18 that was raised by the Cooper Family. Here is a great chance to run full brothers in one pasture with a large group of cows. A full sister to these bulls topped the 2007 "Pick of the Herd" Sale at \$7,000. A great mating and a good bull to put on those higher percentage Angus cows.
